Jackson High School
Jackson, Alabama

Dear Aggies,

The Jacksonian Staff would like to take this opportunity to express our congratulations and appreciation to each of you as members of the Aggie Football Team. We want to congratulate you for going undefeated in the regular season and for the fine showing at state play offs.

We believe you have demonstrated the qualities of excellent leadership, spirit, and determination. You have shown us how teamwork is the road to reaching a goal. We hope this serves as an example and an inspiration to the entire student body at Jackson High School.

To the Senior Football players, we wish you the best of luck. You will be missed as leaders of the team and leaders of the student body. To the Junior and Sophomore players, we are looking to you to continue the Aggie traditions of loyalty and service.

So it is with pride that we dedicate the 1972 JACKSONIAN to the Jackson Aggies. May this dedication be a testimony of our pride in you.

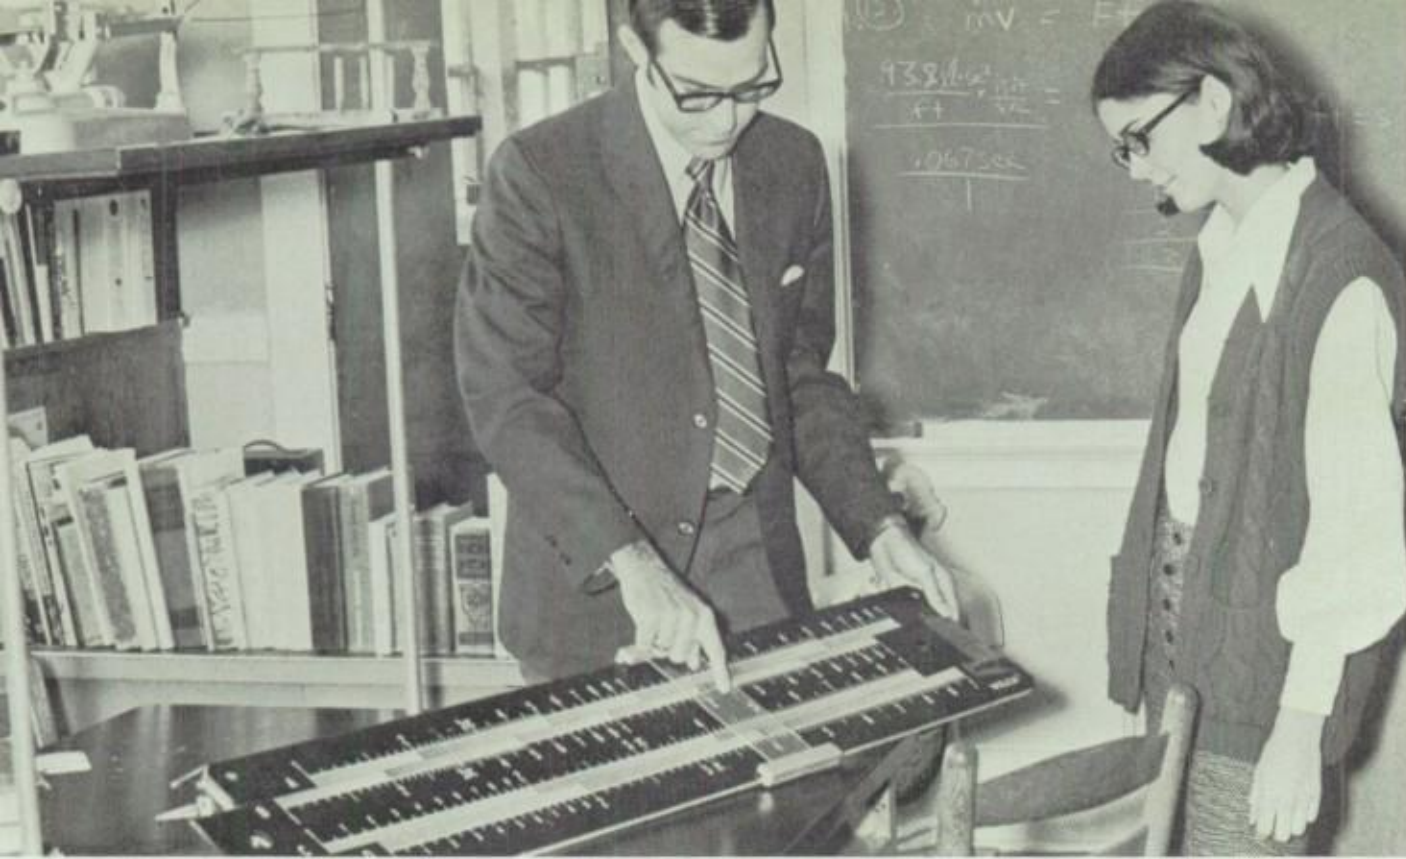

Sincerely,

Jacksonian Staff
